

Everyone deserves the chance to Swim!

At POOLCORP®, we believe everyone should know how to swim. That's why we've partnered with YMCAs across the country to offer essential water safety training.

From the inception of the program in 2021 through the opening of swim season in 2023, POOLCORP® has donated more than \$3 million to YMCAs throughout the country, to fund water safety and lifeguard training in underserved communities.
