

# Everyone deserves the chance to Swim!

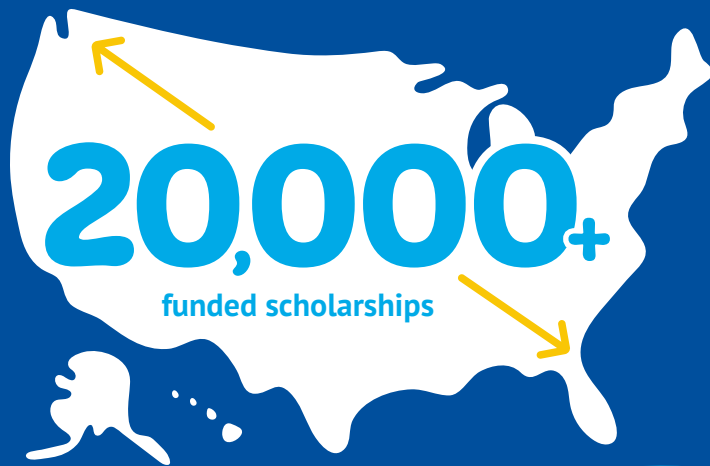

79% of children in lower income households lack swimming skills

35% of U.S. parents can't afford swim lessons

90% of U.S. parents see swimming as a key life skill

Through **A Splash of Joy**, by the end of 2022, POOLCORP® will have donated \$2.2 million to YMCAs across the country. These donations will fund more than 20,000 scholarships for water safety lessons and lifeguard training in underserved communities.
